A series of meetings will commence at the Baptist Church, in this city, in a few weeks. Mr. Barnett, the pastor, has announced that a very able divine has agreed to assist. Mrs. Mary Burton, of this city, is undoubtedly the most active woman in the county of her age. She will be 87 years old her next birthday. She reads the Courier-Journal daily without glasses, and takes much interest in the current news of the country. She does her own shopping, and moves about the streets more gracefully than many women who have not reached their sixtieth year. She is an intellectual lady, her mind to-day being as clear as a bell.

Paid subscribers since our last issue:—J. D. Walker, J. H. Hubbard, S. L. Bernard, C. C. Bernard, R. S. Pinnington, J. C. Cawthorn, M. E. Barron, P. P. Mitchell, H. T. Robinson, J. P. Willis, Junius White, Mrs. Sarah K. Baker, Mrs. Mary Cheatham, W. R. Dooley, J. T. Fletcher, J. R. Royse, N. M. Hancock, Wm. Bell, J. K. P. Chapman, Selden Pollard, Mont White M. S. Sparks, Hopewell & Miller, B. F. Edmonds, Mrs. Louisa Piercy, Josh Butler.

Hopewell & Miller, who will start a saw-mill, in a few days, on the farm recently sold by Mr. C. M. Breeding, will likely be in Adair for some time. They expect to buy timber from other farmers, and will remain as long as they can get trees to cut. They are sawing what is known as "quarter oak" which the factories use for making furniture. Messrs. Hopewell & Miller are from Spencer county. They are enterprising gentlemen, and we are glad to have them in the county.

One of the best if not the best sermon by Rev. T. F. Walton since he has been pastor of the Presbyterian church, this city, was delivered last Sunday forenoon. The subject of the discourse was "The Source of all True Greatness," and it was directed to the young people. The house was crowded, one half of the audience being young people from fifteen to thirty years of age. The sermon was interesting from the start, abounding in wholesome advice to all his hearers.

There is an active demand for lumber at this time, and saw-mills are springing up all over the country. Last Friday Spencer county mill men purchased a number of trees from Mr. Jake Bault, who recently bought the C. M. Breeding farm, this side of Cane Valley. A mill will be in operation cutting this timber by the last of next week. Mr. Bault received ten dollars a tree for all that he sold, and will dispose of many more. He will probably sell enough timber off the farm to pay for it.

Deputy United States Marshals were in Adair county last week, looking after parties who are making and selling the "ardant" without authority. Leslie Petty and Chas. Brown, charged with selling were arrested on Nelson's Ridge, brought to Columbia and lodged in jail. The officers had a warrant for Ed Lodgin, the king of moonshiners, who shot at them three weeks ago, but he could not be found. The Beard distillery had been removed from near "High Step" church, on the Edmondson road, the former operators leaving the country.

Your attention is called to the advertisement of W. L. Grady's stock in this issue. Mr. Grady is well-known throughout this part of the State as the owner of some of the very finest horses in the entire country. For several years he has devoted much time and money in securing the best stock and those who have watched Mr. Grady through his many struggles are glad to see him in possession of such horses as Jordan Peacock and Jordan Star—the blue ribbon winners in every contest in which they enter. Jordan Peacock heads the list of Mr. Grady's fine string of horses. His breeding is superb and his colts show that he is one of the greatest sires in the State. Jordan Star is but three years old, yet he is a great horse, as the many blue strings will attest. He is one of the prettiest horses that ever entered a ring and out of 22 rings 21 blue ties attest his worth as an actor. Mr. Grady also has some other valuable stock, but Peacock and Jordan are the leaders and well do they deserve to be. Mr. Grady is the right man in the right business and the people of this locality ought to appreciate his worth to this section in the material advancement and great improvement in horses. He deserves an abundant patronage for his good judgment, untiring energy and in offering the rarest and best inducements to those who wish to raise a high class horse.

In this issue of the News appears an advertisement of the celebrated stallion, Kentucky Squirrel, owned by Coffey Brothers, of this town. It is useless for us to comment on the worth of this horse to the breeders in this section, as his name is suggestive of one of the finest horses in the State. The Squirrel family of horses has made a reputation in Kentucky that has spread to the remotest parts of the United States, and many of them have been taken to the old countries of Europe. They have proven their worth as saddle and combined animals, and the experience of Coffey Bros. in developing them is that they are susceptible of high education, as they possess both excellent acting qualities and good, sound sense of a remarkable degree, two features that every breeder should remember. Coffey Bros. enjoy the confidence of all who know them, and their reputation for handling nothing but the very best of stock can not be disputed. They believe Kentucky Squirrel to be one of the best horses in the State, and in justice to them we do not believe that they would intentionally impose on any one. The efforts they have made and are making to improve the horses both in usefulness and value should be appreciated by our people.

A News man made a trip to Edmondson last week, spending the first day of court mixing among the citizens of that county, in the interest of the News. The crowd was not so large as usual, owing to the extremely bad condition of the roads. Business seemed to be fairly good with the merchants and hotels, especially with Mr. J. B. Scott, one of the best hotel men in Southern Kentucky. Mr. Scott gives good, courteous treatment, leads down the table with the best of the land and receives an excellent patronage. We did not do a wholesale business but received several subscriptions for the News and some very flattering promises. Although our trip was satisfactory for what the people of Metcalfe county failed to do for us, was made good by the business men of Gradyville, the thirteenth town in the State of its size.

Mr. Sidney Murrah, a former citizen of Adair county, died at Elkhorn, Taylor county, last Wednesday. He was 75 years old, and was sitting in his chair when death came. The greater portion of the life of the deceased was spent in Adair county. He was a farmer by occupation, but had served two or three terms as Deputy Sheriff of this county. He was a Master Mason, but had not affiliated for a number of years. His remains were interred in this county, many friends attending the services.

Mr. Jack Gowen, a well to do merchant of Nelson's ridge, sold his interest in his dry goods business to Mr. Amos Keltner, of that community. Success to the new firm.

Trade has been a little dull for a week or so with our stockmen. Smith & Nell sold last week to Bridgewater & Hardesty, of Lebanon, 100 hogs at 34c. per pound. Also 25 sheep for \$50, and one cow for \$20.

Messrs. Burton Yates, J. L. and Robert Walker attended the social at "Uncle" Will Walker's, at Nell on last Saturday night. We all know the make up "uncle" Will and "aunt" Sally. They know exactly how to make young people enjoy themselves.

Letter From Mont White.
MANILA, P. I., Feb. 7, 1900.
Editor of News:
What a grand old paper The News is! It makes me feel, when I get it, like I was at home. My father sends it to me every week. I am along ways from home, but I can tell everything that is going on in Adair and adjoining counties.

I left home the 29th day of April, 1899, and went to Monticello, Ky. I remained there until the 25th of September, at which time I enlisted in the 37th New York. I went to Camp Meade, Pa., where I was stationed until the 3rd of November. From there I went to New York, got aboard the transport Thomas, one of the finest boats that ever crossed the waters. I was fifty days sailing from New York to Manila, making several stops on the way. The scenery was wonderful and beautiful to every one who had never seen anything of the kind. I have not time to tell of the many wonderful things I have seen.

Since landing on this beautiful island we have traveled from place to place, and have taken several small towns. We have not had much fighting. When the natives see American soldiers they run like wild beasts. We have captured several guns and two cannon this week, and we only killed one man. We did not sustain a single loss. Only a few shots were fired.

I enjoy this life fine. It is nothing more than going out hunting. I am getting plenty to eat, and weigh 190 pounds. I have not been sick one day since I enlisted. I have enjoyed good health all the time. This is a hot climate. It is hotter here now than it ever gets in Kentucky.

These islands are beautiful. They are covered with beautiful trees and flowers of all kinds, and plants of every variety. I cannot begin to tell of every thing that has come under my observation. It would take up too much space.

This is the first time I ever tried to write to a paper. So I do not know what to say nor how to say it; but I thought I would try a few lines. If you find anything you want you may publish it; if not drop in the waste basket. From your soldier boy,
MONT WHITE.

P. S. I hope the old rooster will not forget to crow in 1900. M. W.

Gradyville Fine Stock Stables, Gradyville, Kentucky.

This beautiful stallion, Jordan Peacock, will make the present season at my stable in Gradyville, Kentucky, at the low price of \$10.00 to insure a living colt. Money due when colt is foaled, or mare traded or removed from the neighborhood.

JORDAN PEACOCK.
Register No. 1148, Vol. 3.

This certifies that W. L. Grady, Gradyville, Ky., has registered in the National Saddle Horse Breeders Association, of Louisville, Ky., the bay stallion, Jordan Peacock, foaled July 1991. Marked, Star snip and two white feet, gait, certified.

Jordan Peacock, No. 1148, is a beautiful bay, 15 1/2 hands, fine large water spout tail. Was sired by the greatest of all show stallions in Kentucky, Peacock, No. 499, he by Blue Jeans, No. 2, he by Phillip's Black Horse, he by Gen. Taylor, 84, he by Imported Hooten, thoroughbred. Jordan's first dam, Lena Rivers, No. 700, she by Cabot's Lexington, he by Glad's Black Hawk, he by Blood's Black Hawk, Imported. Jordan's second dam by Lizzie Jordan, she by Wilson's Lewis' Jordan, he by Imported Jordan, out of Imported Piamen. Jordan's third dam by Imported Waggoner.

In Jordan Peacock you will find the finest style and action and the finish of a thoroughbred of which he is closely backed on both sides. As a show horse he stands without a rival, defeating some of the very best horses that ever entered a ring, among them were Monte Cristo Jr., Thornton's Star, Jane Carter, Highland Denmark, Dignity Dare, a noted horse of the Blue Grass, one of the best sons of Chester Dare, and others too numerous to mention. He has been shown in the best fairs in Kentucky and Tennessee and never met a horse that he did not defeat.

As a breeder he has no superior. To prove this his colts are wearing the blues over the best stallions in the State. Quite a number of his colts have sold at fancy price. He imports to his offspring that kind disposition which he himself possesses and which is one of the best features that make a good animal. In size, style and combined features there is not a horse

in existence better adapted to meet the demands of every body.

JORDAN STAR.

Jordan Star is a three year old, sired by Jordan Peacock, No. 1148, dam by Bailey's Lexington, he by Cabot's Lexington, and dam Col. Wexie. Jordan Star is a beautiful bay with fine mane and tail, 15 1/2 hands. He has been shown through the best fairs in Kentucky and Tennessee and out of 22 shows he won 41 blue strings and 1 red. He won his premiums under saddle, and in harness, both single and double, and in model rings.

There is not a better young horse living than Jordan Star! He will be permitted to serve all mares at \$10 to insure a living colt.

HAZLEWOOD.
(Standard Bred.)

Hazelwood is a Chestnut Sorrel 16 1/2 hands. Was sired by Nutwood, 10,325, he by Nutwood 63, record 5:15 1/4. Nutwood sold for \$2,000 when twenty-four years old, and was the sire of Belmont Boy, 21, and 55 more with records better than 2:30. Hazelwood's first dam was by Richmond, he by Mambrino Chief, 11, he by Mambrino Paymaster, he by Imported Messenger.

This fine horse will serve mares at a price to suit the times to insure a living colt.

GOV. ST. JOHN

This fine Jack will make the present season at \$7.00 to insure a mare with foal, money due when fact is ascertained or mare traded or removed.

My fine Jack, JO, will make the season at the same place at \$5.00 on same terms as above.
